AND  
FINAL ORDER**

CAA-02-2013-1216

**Preliminary Statement**

The purpose of this Consent Agreement and Final Order (CAFO) is to simultaneously commence and conclude an administrative penalty proceeding by the Complainant, the Director of the Division of Enforcement and Compliance Assistance for the United States Environmental Protection Agency (EPA) Region 2, against Johnson Matthey Inc. (Johnson Matthey), pursuant to Section 113(d) of the Clean Air Act (CAA or Act), 42 U.S.C. § 7413(d), and EPA's Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules of Practice), 40 C.F.R. ### **Consent Agreement**

#### General Provisions

1. The purpose of this Consent Agreement is to resolve the alleged violations of law set forth below in the section of this Consent Agreement entitled "Alleged Violations." Together with the attached Final Order, execution and filing of this Consent Agreement will simultaneously commence and conclude EPA's administrative penalty proceeding concerning those alleged violations.

2. Consistent with Consolidated Rule of Practice 22.18(b), for the purposes of this administrative civil penalty proceeding, and to avoid the expense of protracted litigation, Johnson Matthey:

- a. Admits the jurisdictional allegations set forth below in the section of this Consent Agreement entitled "Jurisdictional Allegations;"
- b. Stipulates to the facts set forth below in the section of this Consent Agreement entitled "Stipulated Facts;"
- c. Consents to the payment of the civil penalty specified below in the "Settlement" section of this Consent Agreement, on the terms specified in that section;
- d. Consents to the issuance of the attached Final Order; and
- e. Waives any right to contest the allegations set forth in the "Alleged Violations" section of this Consent Agreement and any right to appeal the attached Final Order.

### Jurisdictional Allegations

3. Section 113(d) of the CAA authorizes the EPA Administrator to issue an order assessing civil administrative penalties against any person that has violated or is violating any requirement or prohibition of subchapters I, III, IV-A, V or VI of the Act, or any requirement or prohibition of any rule, order, waiver, permit or plan promulgated pursuant to any of those subchapters.

4. Section 302(e) of the CAA provides that whenever the term “person” is used in the Act, the term includes an individual, corporation, partnership, association, state, municipality, political subdivision of a State, and any agency, department, or instrumentality of the United States and any officer, agent, or employee thereof.

5. Johnson Matthey is a “person” within the meaning of Section 302(e) of the CAA.

### Legal Background

6. Section 114 of the CAA authorizes the EPA Administrator to require testing, monitoring, record-keeping, and reporting of information, to enable him or her to carry out any provision of the Act (except certain provisions in subchapter II) and to assess compliance with, among other requirements, any regulations promulgated under Sections 111 and 112 of the Act.

### Stipulated Facts

7. Pursuant to Section 114 of the CAA, EPA inspected Johnson Matthey’s West Deptford, New Jersey, pharmaceutical manufacturing facility (the Facility) in August 2010.

8. During the inspection and shortly thereafter, and in response to questions asked by EPA inspectors, Johnson Matthey provided EPA with information suggesting, incorrectly, that the Facility contained certain pumps subject to the leak detection and repair requirements of

40 C.F.R. Part 63 Subpart GGG, and that Johnson Matthey had failed to comply with those requirements at those pumps.

9. After EPA commenced an administrative penalty proceeding alleging, based on the information referenced in Paragraph 8 above, that Johnson Matthey had violated 40 C.F.R. Part 63 Subpart GGG, Johnson Matthey provided EPA with additional information demonstrating that the Facility did not in fact contain the pumps that Johnson Matthey had previously led EPA to believe it did contain.

#### Alleged Violations

10. Based on the Stipulated Facts set forth above, Complainant finds that Johnson Matthey violated Section 114 of the CAA by providing the inaccurate, incomplete and/or misleading information about the Facility's pumps referenced in Paragraph 8 above.

#### Settlement

11. Pursuant to Section 113(d) of the Act, Johnson Matthey shall pay a civil penalty of \$7,000. Johnson Matthey shall have the option of paying the entire \$7,000, either by corporate, cashier's or certified check within thirty (30) days from the date of filing of the attached Final Order (Due Date). Johnson Matthey shall: (1) clearly type or write the docket number (CAA-02-2013-1216) on the check to ensure proper payment; (2) make the check payable to the order of "Treasurer, United States of America;" and (3) send the check to:

Johnson Matthey shall send notice of payment to the following:

12. If Johnson Matthey fails to make full and complete payment of the civil penalty that it is required to pay by this CAFO, this case may be referred by EPA to the United States Department of Justice and/or the United States Department of the Treasury for collection. In such an action, pursuant to Section 113(d)(5) of the CAA, 42 U.S.C. § 7413(d)(5) and 31 U.S.C. § 3717, Johnson Matthey shall pay the following amounts:

- a. Interest. If Johnson Matthey fails to make payment, or make partial payment, any unpaid portion of the assessed penalty shall bear interest at the rate established pursuant to 31 U.S.C. § 3717 and 26 U.S.C. § 6621 from the payment Due Date.
- b. Handling Charges. Pursuant to 31 U.S.C. § 3717(e)(1), a monthly handling charge of fifteen dollars (\$15.00) shall be paid if any portion of the assessed penalty is more than thirty (30) days past the payment Due Date.
- c. Attorney Fees, Collection Costs, Nonpayment of Penalty. If Johnson Matthey fails to pay the amount of an assessed penalty on time, pursuant to 42 U.S.C. § 7413(d)(5), in addition to such assessed penalty and interest and handling assessments, Johnson Matthey shall also pay the United States' enforcement expenses, including but not limited to attorney fees and costs incurred by the United States for collection proceedings, and a quarterly nonpayment penalty for each quarter during which such a failure to pay persists. Such nonpayment penalty shall be ten percent of the aggregate amount of Johnson Matthey's outstanding penalties and nonpayment penalties accrued from the beginning of such quarter.

13. This Consent Agreement is being entered into voluntarily and knowingly by the parties in full settlement of Johnson Matthey's alleged violations of the Act set forth in Paragraph 10 above.

14. Nothing in this Consent Agreement and attached Final Order shall relieve Johnson Matthey of the duty to comply with all applicable provisions of the Clean Air Act and other environmental laws and it is the responsibility of Johnson Matthey to comply with such laws and regulations.

15. This Consent Agreement and attached Final Order shall not affect the right of the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.

16. This Consent Agreement, attached Final Order, and any provision herein is not intended to be an admission of liability in any adjudicatory or administrative proceeding, except in an action, suit, or proceeding to enforce this CAFO or any of its terms and conditions.

17. Johnson Matthey explicitly waives any right to request a hearing and/or contest allegations in this Consent Agreement and explicitly waives any right to appeal the attached Final Order.

18. Johnson Matthey waives any right it may have pursuant to 40 C.F.R. § 22.08 to be present during discussions with, or to be served with and to reply to any memorandum or communication addressed to, the Regional Administrator, the Deputy Regional Administrator or the Regional Judicial Officer, where the purpose of such discussion, memorandum, or communication is to recommend that such official accept this Consent Agreement and issue the attached Final Order.

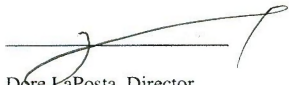

19. Each party to this Consent Agreement shall bear its own costs and attorneys' fees in the action resolved by this Consent Agreement and attached Final Order.

20. The Consent Agreement and attached Final Order shall be binding on Johnson Matthey and its successors and assignees.

21. Each of the undersigned representative(s) to this Consent Agreement certifies that he or she is duly authorized by the party whom he or she represents to enter into the terms and conditions of this Consent Agreement and bind that party to it.
